

Dear Montessori parents,

1: The “CORONA Viral Vacation” is unexpected. Let us take all possible measures to keep our children and families safe and healthy. At the same time let us make these holidays a useful and productive one for our children. In this directions our Montessori has designed a special SA-II Revision Planner for keeping children connected to their studies and Annual Examas.

2:Your co- operation in making our children complete the planned work is highly solicited.
